

# 1" Cordless One Touch Aluminum Blinds

## FEATURES & BENEFITS

- Completely cordless 1" aluminum mini blinds at an affordable price!
- Eliminating the lift cord and the tilter wand, provides a clean uncluttered look
- The cordless mini blind has an integrated control handle on the bottom rail that tilts the blind open and closed with one simple touch
- A simple push or pull to the bottom rail raises or lowers the blind.
- The lightweight 7-gauge aluminum slats ensure smooth and reliable operation for years.
- Concealed brackets snap onto head rail. No other bracket types offered.
- Safe - simple - great looking
  - No cords for children or pets to get tangled in
  - No cords on the floor or in the sink
